TURMEL'S GOLD NUGGET MAGIC MONEY

Stores offering a discount saving for a Gold Nugget are listed free in the Magic Money Index. The store brand maybe added to a Gold Nugget or mentioned in a "class" coupon. Keep in mind, Gold Nuggets never apply to already-discounted sales items and conditions may be applied!

Some Magic Money Gold Nugget samples are also published in the 50,000-copy Brant News. As well, 10,000 newsletters with 10 attached Gold Nuggets will be distributed for use by my private network. A strip of Gold Nuggets will run down the side of the newsletter.

You can have some "Your Brand" Magic Money business-cards for savings by your private network of family and friends. Your brand on a cut-out-and-keep Magic Money Gold Nugget is far more lasting than your own glance-at-once ad. Contact us for:

- Magic Money Business Cards
- Your brand on Gold Nugget Magic Money published in local papers.
