

HOW MAGIC MONEY WORKS

THE ENGINEER

I'm John The Engineer Turmel, producer of the LETS Anti-Poverty Timebank community currency software. I graduated at Carleton University in Electrical Engineering before becoming Teaching Assistant of Canada's only Mathematics of Gambling Course from 1975-79 and am a full-time professional gambler since then.

I am Canada's most court-accredited expert witness in Mathematics of Gambling, known as the "Great Canadian Gambler," "Wizard of Odds" and "TajProfessor" for my years playing Poker at the Trump Taj Mahal in Atlantic City and the Brantford Charity Casino. I've written 2 books on Poker playing and dealing.

Turmel's Magic Money is my back-up Anti-Poverty System to help paupers with a network of local stores that will get you, your family and friends savings on a regular basis as I do.

"Optimal strategy isn't only winning the most but also losing the least!" TajProfessor

Turmel's Magic Money isn't a "get rich quick" scheme though setting up a Do-ItMyself Savings Network for regular discounts is sure a "get poor slow" scheme.

GoldNuggetNetwork.Com Brantford Tab is the network I built up after moving here with over 120 stores offering me and my friends 84 store categories.

When I last went to Joey's Seafood restaurant, I got a 10% discount others do not. When I went to Minuteman Press, I got 10% off a \$150 print job that others do not! Sure, saving a percentage everywhere I go may not make me "rich" but regular savings will do make me "less poor."

HOW STORES BENEFIT

It usually costs a merchant to print and distribute discount coupons and then bite the discount. But a merchant can broadcast his discount without print and distribution expense in our network for free because the end users who benefit from the coupons pay for the Gold Nuggets! Little businesses that could never afford to publish their own saving coupon can still afford to offer us a saving!

This is a way to harness those small savings from small businesses for the good of small regular savers.

HOW IT WAS BUILT

I call stores we might want to shop in to ask:

"I'm with a large online shoppers network and if we come into your store, can you give us a small discount?" or "the deal on your coupon?"

That's it. Some say yes. Some say no. Others get more details like how the owner will know to whom he gives the deals:

"We'll give you a Magic Money coupon usable in all network stores. Sample Gold Nuggets have been published in local papers for anyone else to clip and spend too.

Since Magic Money does not expire, a million Gold Nuggets are aimed at any new store joining the online Directory right then. If they agree to give us a deal, their offer is submitted using the form at the Tab "List/Cancel Saving."

For each store you refer that gives our network a deal, I'll give you a bonus sheet of 40 Gold Nuggets to spend for each store so you and yours can start regular saving right away like I and mine are doing.

WORKS IN ALL TOWNS

Best of all, your Magic Money can be used in any other city on the list as those from other cities may use them in our Brantford stores.

A mere 10% or 20% at a time may only save a few bucks but it's repetitive, it keeps saving at the same stores in a growing patronage network, and it's better than the nothing we'd get without organizing our own network of discounts in advance. Do help make it grow.

Don't get rich, get less poor! That's how the Great Canadian Gambler loses the least with a simple network of discounts and some Magic Money.

HOW IT SAVES \$ from the 1988 Ottawa Gold Nugget Network

JOHN is pondering his purchases.

Later in the smoke shop. THIS sounds great! I don't believe it!! IF I buy 4 GOLD NUGGET COUPONS FOR \$1.00 AND SHOP IN THE DIRECTORY, MAYBE I CAN MAKE IT!

GEE WHIZ! Day before pay day I've got exactly \$50.00. I have to pick up dry cleaning, get gas, I promised the kids VIDEOS + pizza. I'll never do it!

AT THE GAS BAR. I JUST SPENT MY FIRST GOLD NUGGET AND SAVED \$1.00 ON GAS. A 300% PROFIT - NOT BAD FOR 25¢.

AT THE CLEANERS. I JUST SAVED 10% ON MY CLEANING WITH MY 2ND GOLD NUGGET... INSTEAD OF PAYING \$20, I ONLY PAID \$18. I LIKE THIS LIKE TOLD NUGGETS.

AT THE VIDEO STORE. WOW! INSTEAD OF PAYING \$6.00 FOR 2 VIDEOS, I ONLY PAID \$3.00 BECAUSE I HAD A GOLD NUGGET.

THIS IS WILD. 50% OFF MY PIZZA. INSTEAD OF PAYING \$10, I PAID \$5. THAT WAS MY LAST BUY MORE TOMORROW. I'VE SAVED \$11.00 TODAY BY INVESTING \$1.00 IN GOLD NUGGETS. A 1000% PROFIT!
